Principal's Pen

I would like to express a big THANK YOU to all of you who have supported our school over the last couple weeks. This week wonderful things have been coming in to school and are making a big difference for our students.

Monday the cookie dough sale monies came into school. Many generous people have given so we may improve our classroom technology this spring and summer. I am excited to give our teachers and students new tools to help with the learning process. We are totaling up the funds and will announce next week how much has been raised for our technology needs.

Wednesday, Auction baskets and Art projects were brought in to school. They look great and will really help us raise funds at the Family Fun Auction and also the formal Auction. Those events on March 15th and 17th respectively are going to be a lot of fun. The Family Fun Auction will involve an Auction but also have great food available with 18 different carnival type games, a cake walk and Bingo. It will be a great night for families to enjoy a fun time together and raise funds for our school's needs.

All this week candy is coming in to school for the Family Fun Auction. Thanks for helping to provide prizes for this event.

Another thing that has been going on at school is illness. Please reinforce with your children the need to cover their mouths when they cough and to wash their hands frequently. Some nasty bugs are going around, and we need to protect each other.

Again, thank you for your generous support of our school.

Terry Broberg, Principal
