

Dear parent or guardian:

Thank you for the opportunity to take photos of your student this year. It had been a pleasure serving you and Cascade Christian Schools. Your student's sports photos are now ready to be viewed and prints can be ordered.

As you view your proofs, please be aware of the fact that photos have NOT been edited...meaning they have not been cropped. Once you place your order of the poses you like, I will review your order and make any necessary changes so that you receive the best print possible. So, if you notice a piece of marker tape on the floor please do not worry, I will airbrush that out before you receive your final print. I will also crop the images so that they are best placed within the size of print you ordered. So, no worries, if it seems like there is extra space above your student's head, for instance, I will crop the photo so that they are properly centered in the frame. There are before and after examples below.

If your child has a bruise or blemish that they would like airbrushed out of the photo, please email me and let me know. I'm happy to do that. There may be a slight fee for these services, depending on the amount of changes. The ordering system does not allow for you to request changes like this though, so please email me immediately upon placing your order so that I can take care of these bruises or blemishes for you.

Order deadline for Winter Sports at a discounted price is January 31, 2012.

Also, Fall Sports are still available for purchase!!!

To access your photos and place an order, go to www.demonninphoto.com and click on the client tab. You will be directed to enter a password twice. Once on this page to access my client photos and once on the corresponding page to access Cascade's specific photo gallery. The password is the same for both logins.

FALL SPORTS Password (case sensitive) : CCS2011FallSports

WINTER SPORTS Password (case sensitive) : CCS2011WinterSports

If you have any questions or concerns about the ordering process, please feel free to contact me at michelle@demonnin.com.

Again, thank you for the opportunity to serve you. It has been a pleasure working with your student and I am very happy that I'm part of the CCS family.

Many blessings... Michelle De Monnin

P.S. When you place your print order, you have the option of choosing a metallic photo paper. If you have never seen a photo printed on metallic photo paper before, you are in for a treat. I encourage you to choose one pose and give this paper a try. You will be amazed at the luminescent effect and how smooth the photo looks.

Before and after examples showing how a photo would look after cropping and color correction.
