

What is a Cascade Christian School Business Partner?

A Business Partner is a company that partners with Cascade Christian Schools through their prayerful and financial support of the mission and purpose of CCS.

Reasons to become a Cascade Christian School Business Partner:

- Receive recognition as a partner of Cascade Christian Schools to over 4,000 active members of the CCS community
- Support CCS students with tuition assistance
- Support CCS with facility improvements, technology enhancement, athletics and more

How to become a Cascade Christian School Business Partner:

1. Complete and return your pledge card to the CCS Development Department
2. Submit your company logo

Logo Submission:

Please send your company logo via email to Rob Mitton at mittonr@cascadechristian.org in both of the following formats:

- A black and white vector image
- A full color vector image

These formats will allow us to present your logo in the highest possible quality. If you are not familiar with the specifications, check with the artist who prepared your digital art or the printer that produces your letterhead and business cards. (Your company logo will be published on signage or in publications only after first payment is made. First payment is due by August 1, 2012).
