## Incentive Program Description and Procedures

- The New Student Referral Incentive Program awards a referring Cascade Christian Schools family with a **\$200 tuition credit** for each new student that is referred to and actually enrolls in and attends Cascade Christian Schools. *(Refer a family that enrolls two students and receive a \$400 tuition credit, refer a family that enrolls three students and receive a \$600 tuition credit, etc.)*
- The referral program is for parents or guardians who are paying tuition for enrolled students (PS through grade 12) or full-time child care children attending Cascade Christian Schools at the time of credit distribution.
- A \$100 incentive award per newly referred PS-12 student is applied two times per school year in October and March. Referred students must be enrolled at the beginning of a semester for the referring family to receive their first distribution. *(If a referred student begins mid-semester, the referral award distribution will begin during the second semester of enrollment.)*
  - Families who pay monthly payments will receive a credit to their account.
  - Families who pay their tuition in full before the school year begins will receive an incentive award check.
- Families referring full-time child care children will receive an incentive credit after the new family has completed three months (50%) and nine months (50%) of care at Cascade Christian Schools.
- A signed New Student Referral Incentive Program verification form (also available online) must be on file at the District Office two weeks prior to the reward distribution (October and March) *and* a name match must be indicated in the Referral Verification box on the new student's Enrollment Application.
  - Submission deadlines: September 15 for October award; February 15 for March award.
  - Turning in a completed Referral Incentive Program form after the deadline will reduce the award by half (family will receive second distribution only).
  - Failure to turn in a completed Referral Incentive Program form will make the referring family ineligible for the reward.
- Incentive award consideration is limited to the referral of brand new families enrolling students in CCS and does not apply to students transferring, returning, or advancing to another CCS school, nor families who have previously had students at CCS.
