

## Student and Family Homestay Agreement Form

This homestay agreement is between \_\_\_\_\_ and \_\_\_\_\_.  
The student agrees to the following in its entirety.

The student will abide by the following house rules:

- Please ask our permission to attend activities and events outside the normal scope of our family routine—like missing dinner, going to a friend’s home, having a friend stay over, etc. If you are not sure, please check with us ahead of time.
- Take extra care with your house key (and do not loan your key to anyone else).
- Keep your room and bathroom neat and clean.
- Help with some chores around the house when needed.
- Do not bring any inappropriate reading or electronic materials into our home. We reserve the right to check your room and/or computer at any time.
- Agree to make reparations to us for any financial damage or injury to the person or property of others that you may cause.
- Pay for any personal expenses, special personal care products, cell phone, and international calls.
- Promise to keep the lines of communication open at all times, and give us, your host family, the same love and respect you would your own parents.
- Agree to abide by all the rules stated in the Cascade Christian Schools student agreement, the State of Washington, and the United States.
- Do not use illegal drugs, tobacco products, and alcoholic beverages; these are expressly forbidden.
- Understand that misbehavior or noncompliance with family, school, or state rules may result in consequences decided by the host parent and/or school or government officials.
- Agree to pay for all school-related fees such as sports, student fees, and other school-related special events.
- Make school attendance a priority, and put forth a concerted effort to make satisfactory academic progress.

The student will pay the host family \$\_\_\_\_\_per month, beginning \_\_\_\_\_, and continue to do so on the same day of each following month. If the student returns home for a period of time, the \$\_\_\_\_\_ will be prorated per diem for the number of days spent with the host family for a particular month.

The host family members agree to provide the following:

- Three meals a day.
- Transportation to and from school and to social and school events as needed.
- A private room with bed, desk, chair, and other furniture, with a bathroom nearby.
- Internet access.
- A warm, nurturing, and caring Christian family environment.
- Help with school questions.

The host family agrees to serve as the student’s temporary legal guardian.
