MAY: CALLED AND COMMITTED

GOD

God's call on our lives is not just a suggestion—it's a commitment He makes to us, and we're invited to respond with our own commitment to Him. (Ephesians 4:1–3)

CREATION

God created us with purpose. Each of us has a role to play in His plan. Being committed to His will means we live out the purpose He designed for us. (Ephesians 2:10)

HUMANKIND

We're called to live with dedication to God and to each other. This means staying committed to loving, serving, forgiving, and walking alongside those around us. (Ephesians 4:32)

MORAL ORDER

Staying committed to God's ways requires us to choose what is right, even when it's difficult. The world offers lots of distractions, but God calls us to stay focused on His truth. (Ephesians 5:15–16)

PURPOSE

We are called to live out God's purpose with determination. The commitment we make to Him affects how we treat others, how we handle challenges, and how we serve. (Ephesians 6:7)
