

High School

Greetings, Cascade Christian Family!

Welcome to Cascade Christian Schools and the 2024-2025 school year! We are so excited for all that God will do in us and through us this year, as we trust and follow Him in new and deeper ways. Our hope and desire is to create a strong partnership with you as we help our students grow into discerning leaders who will advance God's kingdom and influence the world!

Enclosed you will find information to prepare you for school. Please read this packet in its entirety to ensure you are informed.

Our *Spiritual Theme* for the school year is **"Be Still"**

"He says, 'Be still, and know that I am God;

I will be exalted among the nations, I will be exalted in the earth'."—Psalm 46:10, NIV

We trust God to do amazing and wonderful things as we learn what it means to **"Be Still"**. Please join us in prayer as we look ahead in confidence and commit this year to the Lord.

With Great Anticipation,
Your Administrative Team

Pre-Arranged Absence/Absent&Tardy Form - District - Cascade Christian School

Attendance Text Alert

You will receive a text alert if your student is marked absent and we have not been contacted by a parent. Upon returning to school following any absence, the student is to report to the office with a signed and dated note from his/her parent or guardian explaining the reason for the absence. **Students will receive an “unexcused absence” if a written note or email from their parent or guardian is not received within the two days (48 hours) of the absence.**

Tardiness

- For every **third** unexcused tardy per quarter, students will be assigned before- or after-school detention.
- For every **sixth** unexcused tardy, students will be assigned a Saturday School.
- For every **ninth** unexcused or excused tardy (including emergencies and uncontrollable events), they will receive an additional consequence and an administrator will contact parents, and a further plan of action determined.

Excessive Absences

A student may not receive credit in a course in which he or she has exceeded **twelve absences** per semester, excused or unexcused. This includes absences for medical appointments and illnesses. When the student exceeds nine days, the parent will receive a warning letter that the student is in jeopardy of losing credit. If a student exceeds twelve absences, the parent **MUST** petition for credit if the parent believes extenuating circumstances merit review of the student's record. Students who meet/exceed 12 absences will be required to make up school hours.

Early Dismissal Change

If a student needs to leave early (for dental, ortho, etc), they will need to be picked up by 2:15PM. We will no longer be able to interrupt class for dismissals between 2:15pm-2:45pm. Due to our new bell schedule, the ideal time for a student to miss class is on Tuesdays at 2pm (during advisory).

Before & After School Policy

Students are allowed to enter our building at 7:15am each morning. Classroom doors will be opened at 7:30am. Students must be picked up each day by 3:30pm, unless they are involved in a school-sanctioned sport, club, or activity. If students are still on campus at 3:30pm, parents will be called to arrange for transportation home. Once the front office closes at 4:00pm, students will no longer be allowed to remain unsupervised in the building. Please contact our office if you need support in arranging carpool transportation or if you have any other specific needs.

Medication at School

Whenever possible, we urge parents and physicians to design a schedule for administering any prescribed or non-prescribed medication to a student outside of school hours. The rare exceptions involve special conditions where it is necessary that the child have the medication in order to remain at school (this includes prescription and non-prescription medication).

If a student must take prescription or non-prescription medication at school during the day, they must have a medication authorization form filled out and signed by both a physician and parent. Forms are available in the school office and on the website under “Forms and Handbook” on the HS campus page. Medication must be in the original container and be brought to the school office immediately upon arrival at school, along with the required paperwork. Students in possession of medication in violation of the above guidelines may be subject to disciplinary consequences. We do not permit sharing of medications between students. **The school office cannot dispense any medication (including aspirin and cough drops) to students without proper paperwork and all required signatures.** These stipulations are in accordance with Washington State law.

Emergency Readiness

FACTS ParentAlert will be utilized to send messages via text message in the case of an emergency or inclement weather. These alerts are automatically sent to the contacts on file in FACTS. No registration is required.

Please be sure your contact information is always up-to-date.

Dress and Appearance Expectations

The purpose of Cascade Christian Junior High/High School's dress and appearance expectations is to enable the student to demonstrate traits of a discerning leader by making appropriate dress and appearance choices that reflect CCS' core values and character traits of Wisdom, Integrity, Excellence, and Dignity. We expect students/families to hold high standards of personal appearance and modesty. How we dress is a testimony to others, as well as a reflection of our school. Dress and appearance must be in harmony with CCS Guiding Principles.

(Parents are asked to partner with the school to train their children regarding the purpose of the dress and appearance expectations. Parents are also asked to see that their children are dressed properly when they leave for school. Parents are encouraged to confirm if clothing is within the expectations prior to purchasing the clothing.)

"Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship.

Do not conform any longer the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—His good, pleasing, and perfect will." (Romans 12:1-2)

CCS students will honor God, honor others, and honor themselves by coming to school in the following manner: ready to learn and prepared to lead projecting a positive image that stands out as distinctly different from the secular world. Clean, neat, and modest. Not drawing undue attention to themselves or distracting from the learning environment. Administrators reserve the right to interpret and enforce the dress & appearance standards of CCS Students.

The administration will address current trends and fads as they arise.

Some general guidelines to help define what is meant by "clean, neat, and modest" include, but are **not limited to, the following:**

For both boys and girls:

- Clothing that is not extremely tight-fitting, lowcut or exposing bare midriff.
- Tight fitting pants ie. leggings must be completely and generously covered by a dress, skirt, or top in the front and the back. No skin visible on upper thighs.
- Dresses, skirts, and shorts must be longer than 2" below fingertip length on all sides.
- Tops must have straps over shoulders with a 2-finger width.
- No holes in jeans higher than 2" below fingertip length. No skin visible on upper thighs.
- Hair and facial hair that is well groomed.
- Facial piercings limited to the nose and ears.
- Tattoos must be non-offensive in nature, as defined by the administration.
- Sweatshirts with hoods are permitted as long as hood is not up.

Continued.....

- Hats or hair must not limit or obstruct eyes or ears. Faculty & staff reserve the right to require a student(s) at specific times to remove hats or adjust hair.
- Shirts, hats, clothing items & accessories that contain pictures, slogans, or writing that creates distractions/divisiveness & does not follow Cascade Christians core principals.
- Failure to meet guidelines above may result in an immediate change of clothes & or a dress code violation.

The general pattern and environment encouraged for dress and appearance is as follows:

Our desire is to help students learn the importance for dressing appropriately for various occasions, to include:

- Sports & Athletics
- *School dances & special events.
- Pep Assemblies & Spirit Days.
- Chapel—we encourage students to dress up.
- Retreat & off campus events.
- Performing Arts

All dress and appearance standards apply to half-days and modified schedules, including finals week.

**For formal school events, students and parents will be asked to sign the Special Events Dress Code Form to keep on file for the event. If girls have questions about the appropriateness of certain dresses for formal school events, they are encouraged to bring the dress to school prior to the event and have it approved by the designated staff member.*

Students who come to school or to a school event in attire or displaying an appearance that is determined to be outside the desired standard will be notified in the following manner:

First Offense: Student will receive an email indicating the way in which the desired standard is not being met. There will no email sent home.

Second Offense: Student will receive an email indicating the way in which the desired standard is not being met. The event will be recorded in FACTS and an email sent home.

Third Offense: Student will receive an email indicating the way in which the desired standard is not being met, and a zero-hour detention will be assigned. If the student fails to report to zero-hour detention, a Saturday school will be automatically assigned.

High School

Dear CCHS Parents,

I hope you and your student-athlete have been enjoying the summer! The 2024-25 school year is just weeks away and our HS athletes will have the opportunity to participate in Fall Sports even sooner!

At Cascade Christian Schools, we strive to use the vehicle of sport to model and teach our student-athletes to be servant-leaders in the mold of Jesus Christ. Christlike servant-leaders are motivated by love to serve others (John 13:1), possess a security that allows them to serve others (John 13:3), and initiate servant-leadership to others (John 13:4-5). We believe that winning on the field (or in the gym) is a byproduct of a relentless pursuit of excellence in all areas of our lives. "Whatever you do, work at it wholeheartedly as though you were doing it for the Lord and not merely for people" (Colossians 3:23). I hope and pray that your student and family will embrace the call to utilize the platform of athletics to model servant-leadership in our community and beyond.

Below you can find contact information for the head coaches of our Fall Sports and details regarding the first practice/tryout of the year for each sport. Please make sure that you also closely read the "Requirements for Athletic Eligibility" and visit <https://cascadechristian-wa.finalforms.com/> so that you can ensure that your student-athlete is able to participate on day one.

Requirements for Athletic Eligibility

Athletic Registration on FinalForms – completed yearly

All parents and students must complete all parent/student forms on our athletic registration website: <https://cascadechristian-wa.finalforms.com/>. An athlete must be cleared through this site prior to being allowed to participate in a practice. If you are registering for the first time, your steps are to: 1) Create a parent account, 2) add your student, and 3) complete all forms and submit a current physical exam. If you have cleared your student-athlete in previous years, your information will carry over to this year and you will just need to re-sign forms and update any new information.

Physical Exam – valid for two years from the exam date

Student-athletes are required to pass a physical exam with a local health provider to be fully cleared for athletic participation. These exams can be uploaded into your Final Forms account (see bullet point above). Students that do not have a current physical exam on file **will not be allowed to participate until one has been submitted.** Consider a walk-in clinic if you cannot get an appointment with your physician in a timely manner.

Academics

Grade checks will take place every 6-weeks during the school year and students must have no more than one failing grade and a GPA above 2.3 to remain eligible for participation.

Athletic Fees

All students participating in sports will be assessed a sports participation fee. Football is \$200. All other high school sports are \$165. These fees are charged through your FACTS account and are not submitted until a few weeks into the season when rosters have solidified. On a sport-by-sport basis, there may also be Spirit Pack fees which pay for items (sweatshirts, warmups, meals, etc.) that become the property of the athlete upon purchase.

Transfer Students

A transfer student is one who previously attended a different high school anywhere in the United States. There are specific WAA rules regarding eligibility for transfer students and WIAA paperwork that must be completed. Incoming freshmen are NOT considered transfer students, even if you are coming to CCS from a different school district. If you are a transfer student and you would like to participate in a fall sport, please contact the athletic office at 253-445-9706 or email heltsleyd@cascadechristian.org

Student Drivers:

Students may drive a vehicle to and from school, provided they have a valid driver's license and current auto insurance. ***Driving to school is a privilege***, rather than a right or necessity. Consequently, the school does not accept any liability or responsibility for vehicles or their contents. Since CCHS is in a residential neighborhood, students must use extreme caution while driving through the neighborhood. Students who speed or drive recklessly will face consequences and may lose driving privileges. It is very important that we are respectful of our neighbors.

The following rules govern student-driving privileges on campus:

- All student drivers must register with the school office. **Registration form is below and available online and during *Preview & Picture Day***. Please include all vehicles that students will be driving during the year. Due to safety concerns and our city permitting, at no time during the school day are students to leave the building. Students should utilize a locker should they need to store personal belongings.
- Maximum speed on campus is **5 m.p.h.**
- Cascade Christian High School is a closed campus. Therefore, no vehicles are to leave the campus during school hours without pre-arranged permission from the office. Additionally, students may only go to their car with permission from the office. Students may not loiter around or sit in or on cars at any time during the school day.
- Student drivers are to use the south driveway entrance when entering the campus and park directly in front of the school building in the student parking area. Students are not allowed to park in visitor parking spots or behind the building during the school day.
- Students may only take up one stall when parking. Students may not park on 21st Street. Cascade Christian High School
