Advisory – Advisory is designed to create family/small group environment where students and staff can develop deep relationships. Advisory provides space in the school day to ensure students are growing in all of the CCS 4 Pillars: Academic Excellence, Leadership, Personal Character Development, and Spiritual Formation.

WIN (What's Important Now) – WIN time is dedicated for students to be supported academically, athletically, artistically, and spiritually. Additionally, this time will provide additional opportunities for student growth and belonging through clubs, small groups Bible studies, and unique experiences that otherwise are not able to fit within the school day.
