2025–2026 Bell Schedule

Beginning this school year, the junior high and high school are adopting a new bell schedule. Over the past two years, we have discussed at length how to best leverage and use our greatest resource: time. Our bell schedule reflects a few key components that we believe are essential to providing an excellent Christ-centered education. Our schedule includes classes meeting regularly throughout the week (four out of five days). Our schedule emphasizes the importance of chapel early in the week. Our schedule includes extended time for teachers to create deeper learning experiences for students (block periods on Wednesday and Thursday). Our schedule includes intentional time to know, value, and support students uniquely (advisory and WIN). In summary, we believe we have organized the time to the best we know how and are excited for our students to develop as discerning leaders this school year.

Our lunch is an à la carte service, and a full meal costs approximately \$6-\$8 per day. Vending machines are available to purchase soda, juice, sports drinks, and snacks. Water bottle refill machines, hot water, and microwaves are also available for student use.

Our program does not accept cash. Please be aware of the information below which outlines the important aspects of the lunch program. Students are also welcome to bring their lunch from home.

Attendance

- Filling out our online attendance form by clicking [here](#) or by scanning the QR code below
- Calling the school office at (253) 445-9706
- If your student will miss 3+ days, they must submit a [pre-arranged absence form](#) at least one week prior.

Please follow up with a written or email note within two school days (48 hours) in order for the absence to be excused.

Attendance Text Alert

You will receive a text alert if your student is marked absent and we have not been contacted by a parent. Upon returning to school following any absence, the student is to report to the office with a signed and dated note from his/her parent or guardian explaining the reason for the absence. **Students will receive an “unexcused absence” if a written note or email from their parent or guardian is not received within the two days (48 hours) of the absence.**

Tardiness

- For every third unexcused tardy per quarter, students will be assigned before- or after-school detention.
- For every **sixth** unexcused tardy, students will be assigned a Saturday School.
- For every **ninth** unexcused tardy (including emergencies and uncontrollable events), they will receive an additional consequence, and an administrator will contact parents, and a further plan of action determined.

Excessive Absences

A student may not receive credit in a course in which he or she has exceeded **twelve absences** per semester, excused or unexcused. This includes absences for medical appointments and illnesses. When the student exceeds nine days, the parent will receive a warning email. Students who meet/exceed 12 absences will be required to make up school hours. Students who meet/exceed 15 absences will have to complete additional work for each course.

Early Dismissal Policy

If a student needs to leave early (such as for dental or medical appointments), they will need to be picked up by 2:15 p.m. We will no longer be able to interrupt class for dismissals between 2:15–2:45 p.m.

Cell Phone Policy (Updated)

Cascade Christian Schools is a **cell phone - and smart device-free environment for all Junior High and High School students during school hours**. JH and HS students are not permitted to have a cell phone, smart watch, or any other personal telecommunication device (iPad, tablet, etc.) with them while on campus during school hours. The only device students are permitted to have with them during school hours is their school-issued device.

How: Please select which one you choose

- **Option 1** – Student does not have a phone or smart device.
- **Option 2** – Student will check device(s) into a locked storage container at the beginning of the first class of the day. Students can retrieve their device(s) after the school day is over. Students who arrive late after the tardy bell or early dismissal will check their device(s) in at the office.

If you have a unique condition that requires smart device monitoring, appropriate accommodations may be available. Please contact the counselors Allison Meeks or Kevin Nishimoto for possible accommodations at meeksa@cascadechristian.org for last names starting with A-M, and Nishimotok@cascadechristian.org for last names starting with N-Z.

Before & After School Policy

Students are allowed to enter our building at 7:15 a.m. each morning. Classroom doors will be opened at 7:30am. Students must be picked up each day by 3:30 p.m., unless they are involved in a school-sanctioned sport, club, or activity. If students are still on campus at 3:30 p.m., parents will be called to arrange for transportation home. Once the front office closes at 4:00 p.m., students will no longer be allowed to remain unsupervised in the building. Please contact our PfC leader Suzy Hoover at jshspfc@cascadechristian.org if you need support in arranging carpool transportation or if you have any other specific needs.

HS Youth Conference:

We will be having our annual HS Impact Conference on September 9 , at Calvary Community Church (15116 Gary St E Sumner WA). The youth conference is a **required one-day event** held during the school day. This is a high energy, impactful time that we anticipate will be life-changing for our students. Every year we come together to dedicate our year to the Lord with amazing worship, fun activities, and excellent speakers. Additional information will be sent out as we get closer to the date. Drop off and pick up @ Calvary Community Church.

Canvas & FACTS for Parents:

Please click below or scan the QR to learn about Canvas & FACTS. These platforms will be helpful when checking grades, assignments, and financials. You can also download the FACTS Family app for a onetime fee. Many parents find the app user-friendly, and it is the most convenient way to check your student's grades.

Dress and Appearance Expectations

The purpose of Cascade Christian Junior High/High School's dress and appearance expectations is to enable the student to demonstrate traits of a discerning leader by making appropriate dress and appearance choices that reflect CCS' core values and character traits of Wisdom, Integrity, Excellence, and Dignity. We expect students/families to hold high standards of personal appearance and modesty. How we dress is a testimony to others, as well as a reflection of our school. Dress and appearance must be in harmony with CCS Guiding Principles.

(Parents are asked to partner with the school to train their children regarding the purpose of the dress and appearance expectations. Parents are also asked to see that their children are dressed properly when they leave for school. Parents are encouraged to confirm if clothing is within the expectations prior to purchasing the clothing.)

CCS students will honor God, honor others, and honor themselves by coming to school in the following manner: ready to learn and prepared to lead projecting a positive image that stands out as distinctly different from the secular world. Students are expected to dress clean, neat, and modest, not drawing undue attention to themselves or distracting from the learning environment. Administrators reserve the right to interpret and enforce the dress & appearance standards of CCS students.

General Guidelines for Students:

Some general guidelines to help define what is meant by "clean, neat, and modest" include, but are not limited to, the following:

- Clothing that is not extremely tight-fitting, lowcut, or exposing a bare midriff
- Leggings or yoga pants that are completely and generously covered by a dress, skirt, or top in the front and the back.
- Dresses, skirts, and shorts that are longer than two inches below fingertip length on all sides & no skin visible on upper thighs
- Tops that have straps over shoulders with a two-finger width, no bare shoulders or bra straps should be showing
- Jeans that have no holes higher than two inches below fingertip length; no skin visible on upper thighs
- Pants that are not flannel or soft pajama pants
- Hair and facial hair that is well groomed
- Facial piercings limited to the nose and ears
- Tattoos that are non-offensive in nature, as defined by the administration
- Sweatshirts may be worn with hoods as long as the hood is not up
- Hats that do not limit or obstruct eyes or ears; with faculty and staff reserving the right to require individual students or groups of students at specific times to remove their hats
- Shirts, hats, clothing items, and accessories that do not contain writing, pictures, or slogans that create distractions/divisiveness and do not follow Cascade Christian's core principles.

Dress and Appearance Expectations Continued...

Our desire is to help students learn the importance for dressing appropriately for various occasions, including:

- Sports and athletics
- Pep assembly and spirit days
- Chapel (students are encouraged to dress up for chapel)
- Retreat and off-campus events
- School dances and special events*
- Performing arts

All dress and appearance standards apply to half-days and modified schedules, including finals week.

**For formal school events, students and parents will be asked to sign the Special Events Dress Code Form to keep on file for the event. If girls have questions about the appropriateness of certain dresses for formal school events, they are encouraged to bring the dress or photo of the dress to school prior to the event and have it approved by the designated staff member.*

Dress and Appearance Consequence

If a student is found to be out of compliance with the school dress code, they will be required to change into school-provided clothing (T-shirt or sweatpants). A dress code violation will be recorded, and an email will be sent to the parent/guardian explaining the infraction. The notice will also remind families that school-provided clothing must be returned clean and in good condition. **If items are not returned by the end of the month, a non-refundable replacement cost will be charged to the student's FACTS account.**

On the third violation—and for each subsequent violation—a detention will be assigned. Failure to attend detention will result in an automatic Saturday School assignment.

If a pattern of dress code violations develops, the school may require a meeting with the parent/guardian and an administrator to discuss additional consequences.

Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing, and perfect will. —Romans 12:1-2, NIV

High School

Dear CCHS Parents,

I hope you and your student-athlete have been enjoying the summer! The 2025-2026 school year is just weeks away and our HS athletes will have the opportunity to participate in Fall Sports even sooner!

At Cascade Christian Schools, we strive to use the vehicle of sport to model and teach our student-athletes to be servant-leaders in the mold of Jesus Christ. Christlike servant-leaders are motivated by love to serve others (John 13:1), possess a security that allows them to serve others (John 13:3), and initiate servant-leadership to others (John 13:4-5). We believe that winning on the field (or in the gym) is a byproduct of a relentless pursuit of excellence in all areas of our lives. "Whatever you do, work at it wholeheartedly as though you were doing it for the Lord and not merely for people" (Colossians 3:23). I hope and pray that your student and family will embrace the call to utilize the platform of athletics to model servant-leadership in our community and beyond.

Below you can find contact information for the head coaches of our Fall Sports and details regarding the first practice/tryout of the year for each sport. **Please make sure that you also closely read the "Requirements for Athletic Eligibility" and visit <https://cascadechristian-wa.finalforms.com/> so that you can ensure that your student-athlete is able to participate on day one.**

Requirements for Athletic Eligibility

Athletic Registration on FinalForms – *completed yearly*

All parents and students must complete all parent/student forms on our athletic registration website: <https://cascadechristian-wa.finalforms.com/>. An athlete must be cleared through this site prior to being allowed to participate in a practice. If you are registering for the first time, your steps are to: 1) Create a parent account, 2) add your student, and 3) complete all forms and submit a current physical exam. If you have cleared your student-athlete in previous years, your information will carry over to this year and you will just need to re-sign forms and update any new information.

Physical Exam – *valid for two years from the exam date*

Student-athletes are required to pass a physical exam with a local health provider to be fully cleared for athletic participation. These exams can be uploaded into your Final Forms account (see bullet point above). Students that do not have a current physical exam on file **will not be allowed to participate until one has been submitted**. Consider a walk-in clinic if you cannot get an appointment with your physician in a timely manner.

Academics

Grade checks will take place every 6-weeks during the school year and students must have no more than one failing grade and a GPA above 2.3 to remain eligible for participation.

Athletic Fees

All students participating in sports will be assessed a sports participation fee. Football is \$225. All other high school sports are \$190. These fees are charged through your FACTS account and are not submitted until a few weeks into the season when rosters have solidified. On a sport-by-sport basis, there may also be Spirit Pack fees which pay for items (sweatshirts, warmups, meals, etc.) that become the property of the athlete upon purchase.

Transfer Students

A transfer student is one who previously attended a different high school anywhere in the United States. There are specific WIAA rules regarding eligibility for transfer students and WIAA paperwork that must be completed. Incoming freshmen are NOT considered transfer students, even if you are coming to CCS from a different school district. If you are a transfer student and you would like to participate in a fall sport, please contact the athletic office at 253-445-9706 or email heltsleyd@cascadechristian.org

HS IMPACT Term:

IMPACT Term (I-Term) is a required weeklong educational experience that provides students relevant life application through service and missions projects and assists them in discovering the world and God's purpose for them within it. I-Term will be **March 23–March 26, 2026**. We have local, domestic, and international options. If you choose to go on an I-Term trip it will go beyond the slotted I-Term week. **If you are a new student that is interested in a trip, contact Mrs. Bratz ASAP.**

For local I-Terms, there may be material fees to cover expenses that are dependent upon what I-term you choose to be a part of. Details of local I-Term options will be presented during first quarter. Students must attend I-Term to receive 0.25 high school credit required for graduation. If you have any questions about I-Term trips or local opportunities feel free to email our I-Term Coordinator, Sammy Bratz bratzs@cascadechristian.org.

Medication at School

Whenever possible, we urge parents and physicians to design a schedule for administering any prescribed or non-prescribed medication to a student outside of school hours. The rare exceptions involve special conditions where it is necessary that the child have the medication in order to remain at school (this includes prescription and non-prescription medication).

If a student must take prescription or non-prescription medication at school during the day, they must have a medication authorization form filled out and signed by both a physician and parent. Forms are available in the school office and on the website under "Forms and Handbook" on the HS campus page. Medication must be in the original container and be brought to the school office immediately upon arrival at school, along with the required paper-work. Students in possession of medication in violation of the above guidelines may be subject to disciplinary consequences. We do not permit sharing of medications between students. **The school office cannot dispense any medication (including aspirin and cough drops) to students without proper paperwork and all required signatures. These stipulations are in accordance with Washington State law.**

Student Drivers:

Students may drive a vehicle to and from school, provided they have a valid driver's license and current auto insurance. ***Driving to school is a privilege***, rather than a right or necessity. Consequently, the school does not accept any liability or responsibility for vehicles or their contents. Since CCHS is in a residential neighborhood, students must use extreme caution while driving through the neighborhood. Students who speed or drive recklessly will face consequences and may lose driving privileges. It is very important that we are respectful of our neighbors.

The following rules govern student-driving privileges on campus:

- All student drivers must register with the school office. Registration form is below and available online and during Preview & Picture Day. Please include all vehicles that students will be driving during the year. Due to safety concerns and our city permitting, at no time during the school day are students to leave the building. Students should utilize a locker should they need to store personal belongings.
 - Maximum speed on campus is **5 m.p.h.**
 - Cascade Christian High School is a closed campus. Therefore, no vehicles are to leave the campus during school hours without pre-arranged permission from the office. Additionally, students may only go to their car with permission from the office. Students may not loiter around or sit in or on cars at any time during the school day.
 - Student drivers are to use the south driveway entrance when entering the campus and park directly in front of the school building in the student parking area. Students are not allowed to park in visitor parking spots or behind the building during the school day.
 - Students may only take up one stall when parking. Students may not park on 21st Street.
